DISCLAIMERS

Interest computed by the daily balance method for the statement cycle. The daily balance method applies to a daily periodic rate based on the principal in the account each day. Interest is credited and compounded monthly. Interest begins to accrue on the business day non-cash items (I.e. checks) are deposited into the account. Account fees may affect earnings. Interest rate and APYs are subject to change. Ask for a fee schedule for information that may pertain to these accounts.

* Account close-out fee applies if account is closed within six months of opening.

** Accounts are considered "dormant" as follows:

- Checking—No activity for 1 year.
- Savings—No activity for 1 year.

When an account becomes "dormant" interest is forfeited. (Updated 9/2/14.)

*** Fee will be waived if the Non-LNB ATM is in the MoneyPass Network.

**** In addition to \$30.00 bank fee there will be a fee for currency type and Country. Please see Customer Service Representative.
