CLOSE OUT

Your Old Accounts

Be sure to leave your old accounts open and enough money in place to allow outstanding checks and automatic withdrawals to clear. This process may take several weeks. Once you are sure your old account is inactive, you can fill out the enclosed "Close Out Your Old Account" form. This form is asking your previous financial institution to forward the balance to your new account at Liberty National Bank or to you at home. Then you can destroy your old checks, ATM/debit cards and any deposit slips.

To find the account numbers for your old account, look at the bottom of your checks for a series of numbers:

Bank Routing numbers are the first nine digits of the series, beginning with a number between 01 and 12 or 21 and 32.

Welcome to Liberty National Bank. We look forward to serving you!
